

MRHC Weight Watchers

Payroll Deduct Authorization

I understand that I am voluntarily participating in Weight Watchers and am responsible for attending sessions, weigh ins, etc., and I authorize MRHC to deduct a total of \$24.17 over 6 pay periods. I understand that the payroll deduct will occur whether I attend the sessions or not, and if I leave employment prior to paying for the sessions, I understand that the balance owed MRHC will be deducted from my final check.
