

## Screener/Security Stations Plan

Starting April 29, 2020.

Employees will continue to use the main, admitting and ED entrances. Masks that we normally provide for the staff will be at those entrances. Employees will show their badge as they enter and will not need screened. **All employees will self-monitor and report if symptomatic.**

Mobile Screener – 0630 - 1700 through the week 0630 – 1530.

Urgent Care, Working Well and Neurology – Receptionists will screen.

Main Entrance – Screener - 0730 – 1600 will screen wound care, orthopedic and cardiac. After 1600, motion detectors will be turned on. No nighttime security.

Admitting – 0630 – 1530. Receptionists will screen. After 1530, motion detectors will be turned on. No nighttime security.

Copper Top – Screener 0730-1700. No weekends.

ED – Maintain screener 24/7. ED front desk will relieve screener for breaks and lunch.

**All employees will self-monitor and report if symptomatic.**
